Valid until the expiration date of the registration certificate

Issued by the Ministry of Health

Health Management System

Health Management System

After the expiration date

After the expiration date

After the expiration date

After the expiration date

The certification organization must conduct surveillance audit regularly and the registration certificate continues effective after the surveillance audit. The compliance label will be attached to the registration certificate after the eligible surveillance audit. Where the scope of certification involves administrative license or national compulsory certification requirement, this certificate will become invalid with the invalidation of the relevant administrative license or national compulsory certification certificate.

Revised: 108.1.1
